Dear Mr. McGill,

The Governor's Office has asked me to respond to your letter dated June 10, 2010 regarding the "Trail Proposal Plan". I administer the State Parks portion of the Off-Highway Vehicle Recreation Fund under the guidance of the Off-Highway Vehicle Advisory Group and the State Parks Board. The mission of our Statewide Program is to develop and enhance statewide off-highway vehicle recreation opportunities, and develop educational programs that promote resource protection, social responsibility, and interagency cooperation.

I see that you have attempted to contact the appropriate land managing agencies with your plan. We cannot encourage development on federal, state, or private land without confirmation that the landowners involved have approved your plan. When you have the appropriate agreements in place, funds are available from the Off-Highway Vehicle Recreation Fund to assist in creating your trail system. You can review the "Sticker Fund Project Selection Program" information on the State Parks website at: <http://azstateparks.com/OHV/sticker.html>.

I am available to assist you as needed. Please feel free to contact me at your convenience.

Sincerely,

Robert Baldwin
