Dear Mr. McGill:

Thank you for your letter dated June 10, 2010, regarding the Arizona SunRiders ATV Club trail proposal for the Quartzsite area. The Bureau of Land Management (BLM) is committed to working with partners to manage our transportation systems. Your system proposal is very timely, since our staff is developing a transportation plan for the Quartzsite vicinity of the Yuma Field Office. I see that you have received important feedback from local interests. We look forward to meeting with you and discussing your proposal.

A portion of this region falls within our Lake Havasu Field Office. Staff and management from both offices would like to meet with you personally about your proposal and plan for the next steps in this process.

Please contact Joe Raffaele, Outdoor Recreation Planner at the BLM Yuma Field Office, at 928-317-3238 to set up a meeting.

Thank you for your enthusiastic support of our public lands. We look forward to hearing from you.

Sincerely,

For James G. Kenna
State Director
